London International Financial Futures and Options Exchange (LIFFE) Robusta coffee futures: closed higher across the board on Thursday, November position closed at US\$ 2,238 per tonne gaining US\$ 12 while January position closed at US\$ 2,225 per tonne gaining US\$ 13 over the previous closing.

Inter Continental exchange (ICE) Arabica coffee futures: Closed higher across the board on Thursday. December position closed at US cents 223.55 per lb gaining US cents 2.25 while March position closed at US cents 217.25 per lb gaining US cents 2.15 over the previous closing.

Coffee prices on Thursday closed moderately higher as tight ICE coffee inventories gave prices a boost. This was after the ICE- monitored Arabica coffee inventories fell to a 23-year low of 484,408 bags. However, dollar strength limited the upside in coffee prices after the dollar index rose to a 20-year high. Strength in the dollar encourages export selling by Brazil's producers.
