London International Financial Futures and Options:

Closed higher across the board on Monday. November position closed at 5,498 tonne gaining US\$ 16, while January position closed at US\$ 5,225 per tonne gaining US\$ 22 over the previous closing,

Inter Continental Exchange (ICE) Arabica coffee futures:

Closed higher across the board on Monday. December position closed at US cents 270.25 per lb gaining US 1.10 cents while March closed at US cents 267.95 per lb gaining US cents 1.05 over the previous closing.

Coffee prices recovered from early losses on Monday and posted moderate gains on concerns that the forecasted rain for Brazil's main Arabica region at the end of this week, will do little to help the coffee trees already damaged by recent extreme dry and hot temperatures in Brazil. Brazil has been facing the driest weather since 1981 and coffee prices have strengthened in recent months as adverse weather in key coffee-producing countries threatens global coffee production.
