**Liffe Robusta coffee futures** closed higher in rally with the New York Market. Signs of tighter global coffee supplies are supportive of prices, as reported that global coffee exports for the current marketing year (Oct-Sep) fell by 0.3% to 138.658 million bags.

March position closed at \$ 3834 per ton gaining US\$ 79 while May position closed at \$ 3770 per ton gaining US\$ 102 from the previous closing.

**ICE Arabica coffee futures.** Coffee prices recovered from early losses on Monday and settled higher after the Brazilian *Real* rose to a 1-week high against the Dollar, discouraging export sales from Brazil's coffee producers.

March position closed at US cents 299.85 per lb gaining 3.30 US Cents while May positioning closed at US cents 293.85 per lb gaining 4.55 US Cents from the previous closing.
