**Liffe Robusta coffee futures** closed higher in rally with the New York Market. Tightness in Robusta coffee supplies is supportive for Robusta prices. ICE Robusta inventories fell to a month low of 4,045 lots.

May position closed at \$ 3328 per ton gaining US\$ 13 while July position closed at \$ 3231 per ton gaining US\$ 25 from the previous closing.

**ICE Arabica coffee futures.** Coffee prices recovered from early losses on Wednesday and moved higher as short covering emerged when the Brazilian *Real* rallied to a month high against the Dollar. The stronger *Real* discourages export sales from Brazil's coffee producers.

May position closed at US cents 294.05 per lb gaining 7.95 US Cents while July positioning closed at US cents 289.30 per lb gaining 8.00 US Cents from the previous closing.
