Liffe Robusta coffee futures closed higher following the New York Market. Signs of tighter Robusta coffee supplies are bullish for Robusta coffee prices after ICE Robusta inventories fell to a 16-month low of 3,755 lots.

July position closed at \$ 3404 per ton gaining US\$ 65 while September position closed at \$ 3328 per ton gaining US\$ 65 from the previous closing.

ICE Arabica coffee futures. The prolonged US-Iran war will keep the Strait of Hormuz closed and disrupt global coffee supplies sparked short covering in coffee futures. The closure of the strait has tightened coffee supplies by increasing global shipping rates, insurance, fertilizer, and fuel costs, and raising costs for coffee importers and roasters.

July position closed at US cents 289.15 per lb gaining 6.50 US Cents while September positioning closed at US cents 278.40 per lb gaining 6.35 US Cents from the previous closing.
