London International Financial Futures and Options Exchange (LIFFE) Robusta coffee futures: closed higher across the board on Friday. November position closed at \$1,433 per tonne gaining US\$ 10, while January position closed at \$1,445 per tonne gaining US\$ 9 over the previous closing.

Inter Continental Exchange (ICE) Arabica coffee futures: Closed higher across the board on Friday. December position closed at US cents 132.45 per lb gaining US cents 0.75 while March position closed at 133.40 per lb gaining US cents 0.80 per lb over the previous closing

Coffee prices have support on concern that excessive dryness in Brazil will undercut coffee yields. The recent reported dry weather in Brazil's biggest Arabica coffee growing region may lead to smaller coffee yields and is supportive to coffee prices. Somar Meteorologia, The meteorology Agency in Brazil last week reported that most coffee-growing regions in Brazil would not get significant rain until September 25th.
